Certificate of Appreciation

Vikram:

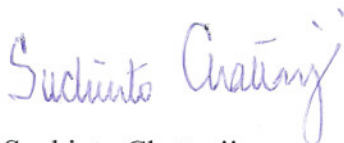

We have had great help coming our way from you as our advisor for the design and execution of the turnkey project of our getting our new office up and running in a short time frame of one month.

We specially appreciate your commitment to provide us with adequate advice, the management of time lines, accommodating all our points of views and translating them into a reality.

Our office looks better than we visualized it, thanks to you and your extra bits of help as the project went forward towards finish from the bare rooms we had.

It would be a pleasure to work with you again in the future.
